

Do you like to Bowl?
 Come Out & Support The Pound
2nd Annual Fools for Dogs
 Sunday April 6th, 2008
 1-3pm

Montgomery County Friends of Animal Care & Control, Inc. is a 501c3 non-profit organization that is comprised of local citizens who donate their time, talent and skills as volunteer partners with Montgomery County Animal Shelter, our county-operated shelter in Christiansburg.

The immediate goal of our group is improvement of conditions at the existing shelter, with a long term goal of providing direction and assistance to the county in the design, construction and operation of a much-needed new facility. Our volunteers have proudly served to conduct renovations at the shelter, have continued the successful dog-walking program and have made it possible to extend Saturday adoption hours at the shelter. This is only the beginning. We have many additional projects in our future!

As a fundraising project that will support our mission and goals for a better life for the dogs at Montgomery County Animal Shelter, we are sponsoring "Fools for Dogs", an afternoon of family bowling fun at the NRV SuperBowl in Christiansburg. Our event will take place on Sunday, April 6th from 1-3 pm. Please arrive between 12-1pm to signup.

Entry fee for a team of 4 is \$80

This includes 3 games, shoes, and chances to win various donated door-prizes!
